

Consumers Song

Written by: Megan & Anthony Deliberto

(To the tune of "Jingle Bells")

Carnivore, Carnivore
Eating all the meat,
Oh what fun it is to run
and hunt down my own lunch.

Herbivore, Herbivore
nothing but plants for me.
Lettuce, leaves, grass and trees
these are the snacks I need.

Omnivore, Omnivore
my meals are complete
Oh what fun it is to choose
from veggies, fruits or meat!
